APPENDIX - A

APPENDIX – A. HARDWARE ENVIRONMENT

The Arizona Judicial Branch has a very diverse mix of hardware reflecting the various projects and programs that have evolved and applications that have been acquired and/or developed over the last several years. Note that the items listed here are generally supported centrally as a statewide project; where individual courts have additional hardware and/or software beyond these items, that equipment is listed on the individual court's inventory of judicial equipment and not in this document.

DESKTOP ENVIRONMENT

The desktop environment includes a variety of PCs. AOC/ITD, under direction from the Commission on Technology, continues to support a four-year equipment leasing cycle which is designed to refresh desktop hardware regularly to ensure that it incorporates the technology needed to support the evolution of statewide applications while providing additional savings needed to support other technology projects.

The following are standard PC models being placed into service:

DESKTOP:
EW290AV hp Compaq Business Desktop dc5700 SFF, Intel Core 2 Duo 2.13GHz, 160 GB, 2 GB RAM, NIC (from current stock on hand)

LAPTOP:
LJ546UT HP EliteBook 8560p, Intel® Core™ i5-2520M (2.50 GHz, 3 MB L3 cache), 500 GB 7200 rpm SATA II, 4 GB 1333 MHz DDR3 SDRAM, NIC

PRINTER:
CE991A HP LaserJet Enterprise 600 Printer M602n
